

TIETON CIDER WORKS

From our orchards to your glass

Imperial Apple Hard Cider

8.4% ABV

Overview

Our all-natural ciders are made from apples grown in the Yakima Valley. With 300+ days of sunshine and access to Cascade water, there is no better growing region. Picked and produced at the source provides freshness you can taste.

Tasting Notes

This Imperial cider comes in at 8.4% ABV. The high-octane is tamed by a touch of sweetness with a tart finish. Fruity, citrus notes of grapefruit and mandarin are liberated from the local apples we press to make this cider. Truly, a cider fit for royalty.
